The permits are accepted at all metered and pay station parking spaces south of 32nd Ave. and are valid for the calendar year in which they were issued. Of the total number of permits that are purchased, the first half are \$3.00 each and the second half are \$35.00 each. Example: If 10 permits are purchased, then 5 are sold for \$3.00 each and the other 5 are sold for \$35.00 each. The total cost would be \$190.00.

The **"B" Parking Permit:** Both residents and non-residents are eligible to purchase these permits. They are valid for the calendar year in which they were purchased and are valid at all metered and pay station spaces with the EXCEPTION OF THE COUNTY PARK located at 4700 Gulf Blvd. These decals must be permanently affixed to the rear of the vehicle. The cost for this permit varies: for residents of SPB an annual pass is \$15.00, for non SPB residents an annual pass is \$75.00. We also offer a day pass that is \$10.00 a day. Those who work on SPB but do not live on SPB can get a monthly employee pass for \$25.00 or a \$75.00 annual pass.

The **"D" Parking Permit** is issued to eligible residents in the Pass-A-Grille area who live in areas designated for controlled parking, and whose surrounding streets are controlled by parking meters or pay stations. These decals must be permanently affixed to the rear of the vehicle. The cost for an annual decal permit is \$5.00 or a monthly hanging pass at \$3.00.

The “**E**” **Parking Permit** is similar to the “**A**” **Permit** and is issued to residents in the Sunset Way and Beach Plaza area of St. Pete Beach.
